

**Introduction:**

The lesson develops listening, speaking, writing skills and using the vocabulary presented in the video.

**Objectives:**

- to learn the vocabulary from the video “Get to know about Poland: General Information”  
<https://youtu.be/GTtGkwc3fml>

- to catch the information from the video
- to write an narrative about Poland

**Task 1**

**Warming and vocabulary:**

What things do you like the most/least in Poland? Why?

Would you like to live and work in Poland in the future? Why?/Why not?

**Vocabulary:**

The teacher presents and explain the meanings of vocabulary

**Task 2**

Students matching the words with their definitions

<http://learningapps.org/display?v=pjwj82jtk17>

Self estimation for correct answers. Feedback on the app.

**Task 3**

Students watch the video again and then take a quiz about Poland (Group Code: tyzk5z)

<https://youtu.be/GTtGkwc3fml>

<https://www.edmodo.com/home#/group?id=23758557&created=1>

**Task 4**

Students are divided in a small groups and write a narrative about their country – the most interesting five facts from the video.

They read their works aloud.

**Reflections:**

Students complete their self-assessment tables (listening, speaking, writing and vocabulary) from Learning Apps and Edmodo assessments.

They discuss about their difficulties and strengths.

**Homework**

**Speaking plan:**

1. Tell about ten most interesting things you've found in the video.
2. What other five things would you like to add in the video.
3. Were there any pieces of information you didn't know about. Which ones.

**Evaluation for fluency and vocabulary.**
